HEALTHY LUNCH BOX SESSION

Wednesday 30th November commencing at 11am.

It would be great to see as many families as possible represented at this very informative talk.

Baby sitting and morning tea will be provided so parents can enjoy the talk and have some time without interruption. Please come along!

As always, it has been a busy week at school for the children

The primary class worked in their vegetable garden on Tuesday, pulling out spent plants, watering and planting seeds. The tomato plants have begun to grow but we have had snails and slugs devouring our new seedlings.

Dear Santa

The Infants class are working hard on their letters to Santa

Kristie and Trinity working hard in the vegetable garden

In Computer lessons the Primary class have been experimenting with "Pixels" by creating Christmas paper, using small coloured squares

In Maths Kirsty and Gemma have been investigating the connection between multiplication and division, using counters

Robbie has been learning how to read and interpret Bar Graphs

PLAY PRACTICE

The children have also begun their play practice in readiness for the End of Year Presentation Evening, which will take place on Monday 12th December at the Hargraves Hall. The primary class have been given their parts and play script and need to be learning their lines at home. It would be great if you could help and encourage them!

Swim It

She can
Surf it
With a bucket
And wish
To swim it
Or play
On it
With a spade
Or shells
Or go under
A huge wave
And see it
But if she
Swims through
Just know
She'll miss it
Going across
The water
Flowing under
The reef
Joining as
A horizon
The reef flowing

Abbie and Shontay

Take It

You can
Take it
In December and want to
take it
Use it
With some wisdom
Or fun
And go down
To a sandy beach
And swim there
So if you
Pack up
Right now
You'll be on it
Driving down
The freeway
Snacking on
Some chocolate
Exciting as
A theme park
A relaxing holiday

Lauchlan and Tyler S

Feel It

We can
Feel it
On our face
And want
To smell
Or play
In it
With a friend
Or neighbour
Or go outside
To huge puddles
And jump in them
But if we
Run outside
Just now
We'll feel it
Falling down from
The sky
Scattering across
The land
Calming as
A sunset
The pouring rain.
