Maths Challenge

On Tuesday, Trinity and Abbie participated in a Maths Challenge day at St Matthews School organized by the Rotary Club. Our students combined with two students from Lue Public School to form a small schools team. They worked collaboratively throughout the day on a range of problem solving activities and speed tests.

Over 20 schools from Mudgee, Dubbo, Wellington and outlying areas took part. Our team was awarded an encouragement prize of \$200 (split between Lue and Hargraves) for their amazing efforts. Well done kids and thanks to Mrs Robinson from Lue Public School for supervising the team throughout the day.

Getting Reading for Camp

Do you have everything you need? Remember, children will each need a sleeping bag.

Please see Mrs Rae or Nerida if you are having difficulty with getting "things" together.

Notice: There will be no Playgroup or Pre-school session with Payden on Wednesday 1st November due to the whole school being away at camp.

Musica Viva

The whole school will be attending a Musica Viva concert on Tuesday 7th November at Mudgee Public School hall. The concert will start at 11.30 am. The group they will be seeing is "Akoustic Odyssey" a high-energy quartet that draws inspiration from life on the Mediterranean.

Terry's bus has been booked and we will be asking for assistance with transporting the children to town.

A permission note is attached to this newsletter. There is no charge for this activity.

Please Note—Change of Playing Field

Children in Years 2—6 will be attending the T20 Cricket day on Friday 27th October.

It will be held at Walkers Field (not Glen Willow). Walkers Field is located in the street behind Big W, next to the caravan park.

Friday Tennis

We are very fortunate to have the very talented Nathan Wilkins back at school on Fridays to coach the children.

Nathan is extremely popular with the children and teaches them the basics of the game in a fun and engaging way. Everyone looks forward to Friday tennis.

Small Schools Technology Day

On Thursday 23rd November children from other Mudgee small schools will be joining us here at Hargraves for a wonderful day of creative technology.

The children in Years 3 to 6 will be taking part in Digital Animation workshops learning how to story board, animate, edit and burn their movie onto a DVD.

The children in Kindergarten to Year 2 will be learning how to take digital photos to create movie trailers.

Our hard working P&C will be organizing a BBQ lunch.
