Last Minute Reminders for Camp

The staff and students are very excited about our major excursion next week. Please ensure that you pack **EVERYTHING** on the list. Don't forget school summer uniform is required for the Tuesday - shorts/skorts & school polo shirts would be more suitable for the girls than their dresses but this is a personal choice. **EVERY CHILD MUST TAKE THEIR SCHOOL HAT and a water bottle.** No electronic games or mobile phones please and the children will not require any spending money. **Children will need to be at Walkers Oval by 8:45am** as the bus will be leaving promptly at 9am. Morning tea and lunch is needed for this day.

Notice: There will be no Playgroup or Pre-school session with Payden on Wednesday 1st November due to the whole school being away at camp.

HALLOWEEN CINEMA UNDER THE STARS

The weather was perfect and a great night was had by all who attended the Cinema Under the Stars on Saturday night.

P & C wishes to thank everyone who was involved in making it happen; from the planning and fundraising, to the set up and pack away and all the helpers on the night: parents, grandparents, P and C members and school staff. Thank you so much for all your hours spent towards a wonderful fun night for kids and families.

Our first attempt was excellent, so here's hoping we gain support and can build on our numbers for next year.

P & C are subsidizing \$150 per child to cover this years excursion cost to Camp Toukley. If all families can pull together and build an event like this one it will help us be able to contribute in this way in the future.

200 Nights of Reading

Lochlan, Deegan, Addison, Charlotte, Rickie, Abbie, Kristie, Trinity and Kirsty have reached a fantastic milestone this year, reading for more than 200 nights. This is a wonderful achievement for these children.

Keep on reading everyone—practise makes perfect! There are a number of children who will hit the 200 mark in the next few weeks.

What a fantastic effort!

Success for Our Students

On Thursday we were visited by Mrs Holding and Mrs Deveraux from the Grattai branch of the CWA. They presented an award to our primary class for their digital presentation of Nepal which was awarded first place at the Castlereagh group. The presentation will be shown at the state conference in May next year. Brodie Martin also received a certificate for his colouring in.

Abbie Condren and Trinity Elvy

For a fantastic effort at last week's Maths Challenge
