Students of the week—Everyone for exceptional behaviour on the excursion

23rd November 2018

## Sydney Excursion

The children had a wonderful time on their Sydney excursion.

First stop was Mount Tomah Botanic Garden. Next day was a visit to Taronga Zoo, a ferry trip across the harbour then on to a Harbour Bridge Pylon tour. Thursday the Infants attended a pirate school at the National Maritime Museum while the primary sailed to Goat Island to experience convict life. In the afternoon the whole school took part in a Rocks Walking tour.

On the last morning the children took an underwater journey at Sydney Sea Life Aquarium.

### Debating Grand Final

This week saw the grand final of the Small Schools Debating Competition. It was a great achievement for our school to make it to the grand final.

Our team was up against Trunkey Creek Public School arguing against the topic "Money can buy happiness" Although our team was narrowly defeated, their presentation skills, arguments and rebuttals were first class.

The series of debates have been conducted through our video conferencing facilities.

### Small Schools Art Camp

Ella and Kristie had a wonderful time at the Small Schools Art Camp at Hill End. They experimented with a variety of art forms, visited local artists' studios, including that of Archibald finalist Rosemary Valadon and enjoyed socialising with students from other schools.

### T20 Cricket

Students in Years 2-6 took part in the Woolworths Cricket Blast in Mudgee.

Thank you to Matt Tabbernor from Cricket NSW for organising the day and for our fabulous new cricket gear.
