**Infants day trip to Mudgee**

On Tuesday, Infants were lucky enough to attend Mudgee Public School's Stage 1 performance of 'The Gruffalo'. Everyone thoroughly enjoyed the performance.

Afterwards, students visited the Mudgee Honey Haven as part of their science unit 'schoolyard safari' bee study. They enjoyed listening to facts about bees and tasting honey. The strawberry honey was a hit with all the kids! It was a fantastic day and students are to be commended for their beautiful behaviour throughout the day.

### Multi-Sport Clinic

As part of their 20th anniversary celebrations, Macquarie sports held a multi-sports clinic at Glen Willow last Friday for primary students from throughout the central west.

Netball, cricket, rugby league and rugby union were the sports on offer and our student had a great day learning new skills and making new friends.

### P & C Meeting

The last meeting for 2019 will be held on Tuesday 12th November starting at 2 pm at the school. Items for discussion will include the organisation this year's Christmas Tree.

### Environmental Education Day

As part of the Mid-West Regional Council's support of sustainability education for school students in the local area, our students took part in another workshop on Monday designed and conducted by Natalie from Impact Environmental Education. The students created 'mini worlds' where sustainability was encouraged. They then suggested ways that this could be put into practice in the real world.

### School Photo Day

Will be Wednesday 13th October at 12 midday. Each child will receive an individually named order envelope.

The envelope contains the instructions for ordering and paying with cash or cheque. Please read carefully. Online ordering through [www.msp.com.au](http://www.msp.com.au) is available. **DO NOT** pay for photos through the school website with credit card. A limited number of envelopes to order a family photo can be obtained from the office. This year our school photos will be taken by msp photography Orange.
