On Thursday in Miss Lawson's room the Kindergarten children worked with Mrs Gray. Mrs Gray is the Early Action for Success facilitator and visits us each week.

**Student of the Week – Kirsty Carrall**

For adopting a positive attitude with her Friday transition program at Mudgee Public School

In the Stage 2 class the children were busy with reading and learning their spelling.

**Student of the Week – Brailie McEwan**

For choosing a responsible and positive attitude on the K-2 excursion

The primary class have been experimenting with the Lego WeDo, building models and coding them with the iPads to perform particular movements, sounds and tasks. The children made models of windmills and rotating satellites. Great fun!

The kit was purchased through a generous donation by the P & C and is proving to be an invaluable teaching tool in the classroom.

**Student of the Week – Damian Turner**

For a great first week at Hargraves PS

### Stephanie Alexander Kitchen Garden Cooking

Our vegetable garden is bursting with healthy spinach so it was only fitting that we cooked up a "Spinach Spectacular!"

Two groups of cooks turned their hands to tasty Spinach and Cheese Triangles, mastering the art of folding the delicate filo pastry.

Another group tackled flavour-packed Spinach Flatbread, kneading the dough then forming it into round shapes that were fried.

Mrs Pye's group made a delicious Spinach dip with sour cream, cream cheese, spinach and onion
