**Swimming Lessons**

It was wonderful to see the improvement in every child's swimming this year.

**Zoo Snooz**

Everyone enjoyed a fantastic two days on our excursion to Dubbo this week. After such a challenging year it was great to finally be able to do some learning 'outside the classroom'. The children enjoyed their time at the Dubbo Adventure Playground followed by a trip to the movies but the real highlight was the overnight stay at "Billabong Camp" at Taronga Western Plains Zoo. As usual the children's behaviour was exemplary – they are a fantastic group to take away! Thank you to Terry for driving the bus & to Leonie for her help with the younger students.

## Swimming Lessons February 2021

Swimming lessons will begin on Monday 1 February. We will swim at the Mudgee pool on the Monday, Tuesday and Wednesday.

On Thursday 4 February we will travel to Gulgong pool.

We will NOT be swimming on the Friday, but will swim again on Monday 8 February at Mudgee.

This is due to the pool being booked for other schools' swimming carnivals.
