

## P & C Meeting

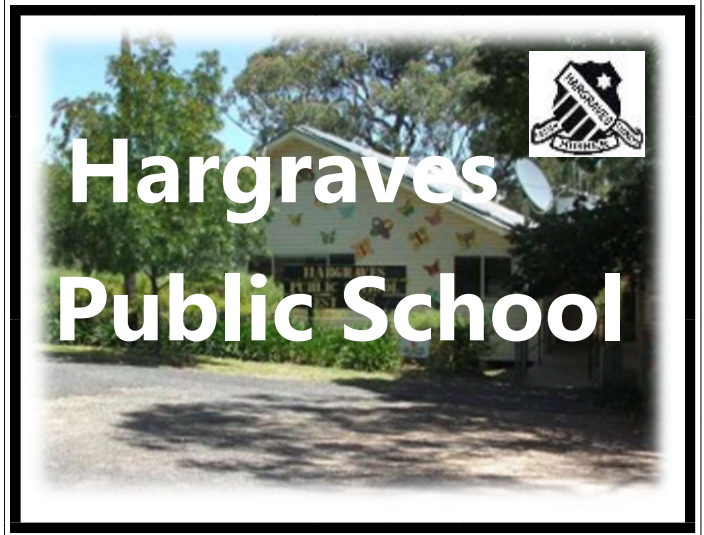

P & C will be holding their Annual General Meeting on Tuesday 23 February starting at 2 pm at the hall. Covid rules will apply.

All positions will be declared vacant and new office bearers for 2021 will be elected.

This meeting will be followed by a General Meeting.

Items for discussion will include this year's Mudgee Small Field Days.

You are invited to come along and support the activities of the P & C including Mothers Day and Fathers Day stall, the Annual Christmas Tree and other fundraising events.

19 February 2021

## 2021 School Captain and School Leaders

Above: School Captain Deegan Broadhurst with School Leaders Koby Papp, Addison Colley and Katalia Dennis

The children presented well-prepared speeches to the school which were followed by all children and staff voting in a secret ballot.

The children will be presented with their badges soon at a small ceremony.

Congratulations all!

## Young Leaders Day

Our Year 6 students will travel to Sydney on 24 March with school leaders from the other Mudgee Small Schools to attend Young Leaders Day on 25 March. Guest Speakers this year include: David Campbell (author, theatre & concert performer,) Jimmy Rees (aka 'Jimmy Giggle'), Lachie Smart (youngest person to fly solo around the world) and a NSW Swifts Netball Star.

Our students will enjoy some time in Sydney on Wednesday afternoon, dinner at the Blackbird Café at Darling Harbour and ten pin bowling that night.

Accommodation will be at the Ibis Darling Harbour. I know our students will embrace this wonderful opportunity and learn about what leadership involves and how they can apply it once they are back at Hargraves School.

**Student of the Week – Maddison Gatland**

For fantastic effort in all subjects

## Weekly Principal's Award

Mia McInnes

For

Outstanding effort and improvement in all areas

Mia received 5 minutes extra playtime for her class as her reward

## 3D Printing

The school has the use of a 3D printer this term as part of the STEM4L program with the Department of Education. The 3D Printing Kit is designed for students to engage with design thinking, computational thinking and STEM concepts through 3D printing technology.

The primary students were very excited to watch the first of their designs come off the printer. They have been learning the steps involved in creating the digital file prior to printing and we are impressed with how quickly they have learnt these new skills.

Above: Mr Bray & the children watching the process

Kyran was very proud of his first attempt

Damian's creation

Maddison's design

## Eggs for Sale

\$4 a dozen

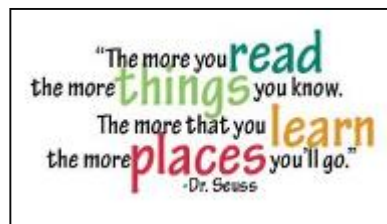

## Striving to Deliver Quality Education

Our staff are required to set professional development goals each year in keeping with their role.

Staff attend training sessions via Zoom delivery, online courses or face-to-face. Staff across all areas of education including teaching and non-teaching staff participate in mandatory training.

Our staff undertake mandatory training including:

- CPR, Anaphylaxis, Emergency Care, Child Protection, Code of Conduct, Data Breach Response, Corruption Prevention
