Students should not attend school if unwell, even with mild symptoms of COVID-19. Anyone who is unwell with COVID-19 symptoms is strongly encouraged to get tested and self-isolate until a negative result is received.

Book Club Thank you to our families who have been ordering books through School Loop. Your purchases earn points for our school which are used to buy library books & end of year prizes.

Green and Gold Day

The whole school joined in with the excitement of the Olympic Games, celebrating a day earlier due to our Athletics carnival being held on the official "Green and Gold Day."

The primary students have been learning about the history of the Olympics and have developed a timeline from the first recorded Olympics in 776BC through to Tokyo 2020. They are developing Athlete profiles for their favourite Australian athlete at the Games and learning about new sports. There has been great excitement when Australian athletes have won medals.

Science with Miss Lawson

This week Miss Lawson's class investigated cooling of materials by making fruit sorbet. The children declared it to be delicious!
