Thank you to our children and their families for a wonderful Term 1

Have a safe and happy holiday

Term 2—School begins on Tuesday 20 April for all children

Young Leaders Day

My favourite speaker was Anastasia Woolmer because she is like me. She wasn't a fast learner but when she was at school she saw all these other students raising their hand straight away and she thought she would never be a fast learner. But now in 2021 she is the 2 x Australian Memory Champion, a public speaker, memory expert and memory coach. She was the first female to win this title in Australia and that taught me that you can start at the bottom and then climb to the top. Her message to me was that "even if you don't think you can achieve something you can always work your way to the top with hard work and determination". **Deegan**

My favourite speaker was Jimmy Rees because he was really funny and he said just be yourself and don't listen to others who tell you, you can't be that person. Jimmy Rees was in a TV show Giggle and Hoot for 10 years. **Katalia**

My favourite speaker was Lachie Smart. He was the youngest pilot to fly solo around the world. He was my favourite because he showed people that you can achieve anything when you put your mind to it. **Addison**

My favourite speaker was Lachie Smart because he was the youngest person to fly solo around the world. The reason why I liked him the most is because he talked about how he nearly crashed multiple times but he still got out alive. The message I got from him was to never give up on your dreams. **Koby**

French Apple Hand Pies were on the menu for our primary chefs. The apples were from our first crop—picked fresh from the tree. It doesn't get much fresher than that!

Fishing Incursion

Our students took part in a Fishing Incursion with Daniel, Senior Education Officer with NSW Fisheries.

They learnt how to cast, how to tie knots and the legalities involved with catching a variety of fish. Hopefully they will get a chance to put it all into practice later in the year at AREC dam.

A huge congratulations to Addison, Katalia, Cassie, Ruby, Ewan and Maddison who have completed 50 nights of reading this term. Keep up the excellent work.
