

Deegan with the Runner Up Shield and Ruby with her Champion trophy

Hargraves Public School

6 August 2021

Small Schools Athletics Carnival

Congratulations to all our students who participated so enthusiastically and with great sportsmanship at the athletics carnival last Friday. Hargraves was named runner up to champion school, Ruby Colley was the Junior Girl Champion and Addison Colley was the runner up to Senior Girl Champion. Great effort everyone.

Weekly Principal's Award

Damian Turner

For a very mature attitude to learning
Damian received a \$10 Book Club voucher as his reward

Students of the Week

R-Jay McKenzie

For
Improved participation
in the reading program

Maddison Gatland

For
Excellent work in
reading and writing

Zone Athletics Carnival

Congratulations to Addison, Katalia, Ruby, Damian and Deegan who qualified to attend. We wish them the best of luck.

Science Day at Lue School

The whole school will be attending Lue School on Friday 20 August as part of Science Week activities.

Travel will be by Terry's bus. We will be leaving school when the first bus arrives, so the Hill End road bus run children will need to be brought to school by 8:15am. We will pick up the Mudgee Road children on the way. We will be back in time for the after-noon bus run, dropping off the Mudgee Road children on the return trip to school.

Current Covid Rules

Thank you to all our families for abiding by the current rules to help us return to normality as soon as possible. If a parent HAS to come into the school they **MUST** sign in and out using the QR code on the office door and comply with mask wearing requirements.

Students should not attend school if unwell, even with mild symptoms of COVID-19. Anyone who is unwell with COVID-19 symptoms will need to get tested and self-isolate until a negative result is received.

Sporting Schools—Tennis

This term Nathan Wilkins has returned to instruct the children who always enjoy his lessons. Despite the cold weather, the children have been very engaged in the lessons and have been revisiting the fore-hand stroke and the volley. Tennis lessons will continue during Terms 3 and 4 thanks to the Sporting Schools Program.

Jeans for Genes Day

Even though a big part of the Jeans for Genes Australia campaign is to raise much needed funds for the Children's Medical Research Institute, at the core, they're hoping to raise awareness.

One long-time committee members, Jane Roberts, had the lovely idea of creating denim reading cushions for Hargraves Public School.

Thanks to the generosity of Mudgee Art House and Kayt Dickson these adorable little faces got to dab on denim to make the patchwork cushions.

Thank you to Mudgee Art House for your generous donation of art supplies to give an extra splash of colour to Hargraves Public School. Thank you to Kayt Dickson Dressmaking for snipping and snapping and miraculously piecing Hargraves Public School painted denim offcuts into classroom reading cushions.

(From the CMRI Facebook page)

Head Lice

A reminder to parents to check your child's hair for signs of our little friends.
