

## Extension of stay-at-home rules for regional NSW to 28 August

Due to ongoing concerns about community transmission, stay-at-home rules in place for regional NSW will be extended until at least 12:01 am 28 August

This means that Hargraves Public School will continue to operate under current restrictions at least until Saturday 28 August

## Learning from Home

A very big thank you to our entire school community for the way everyone has adapted to 'Learning from Home' at such short notice. We appreciate everything you are doing to ensure our students' learning continues in some form. We know it is not easy and can be very stressful in such uncertain times.

We ask that you encourage your child to do what they can. We encourage you where possible to follow the daily routine; however, we understand that may be difficult depending on family circumstances. It is OK to alter this if that works for you and your family. Do what you can, when you can, and adapt where necessary. Be kind to yourself and one another and know the staff of Hargraves Public School are here to support you.

Congratulations to our students who have completed some wonderful learning activities this week.
