Hargraves Public School

4 November 2022

Principal's Awards

As part of our whole school social skills program, we are having one school rule as a 'focus of the week' each week. I am pleased to give out Principal's Awards to students who have consistently followed these rules well. This week's focus has been 'Respect All In The School Community', and I am happy to congratulate Mia McInnes and Lochlan Honeysett for showing respect and being kind and courteous to all at school.

Check In Assessments

Children in Years 3, 4 and 5 completed the Department of Education's online 'Check In Assessments' this week. These assessments are designed as 'point in time' assessment of student achievement and help us as a school to measure student learning growth each year.

School Photos

Photo money is due this Monday, please send it in to the office if you have not already done so. School Photos will be taken on Tuesday, please ensure children are in their best uniforms for the photo day.

Remembrance Day—Friday 11th November

Hargraves PS students will be participating in the village remembrance next Friday from 10.45am.

Joel Wilson—Principal (Rlg)

Weekly Awards

Each week a student of the week will be selected for their wonderful efforts from both Infants and Primary students.

INFANTS STUDENT OF THE WEEK

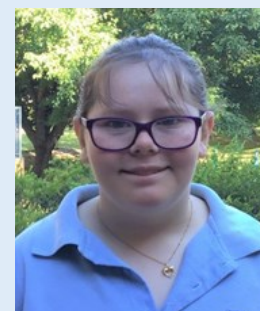

Beau Colley

For

Excellent effort and application in writing

PRIMARY STUDENT OF THE WEEK

Maddison Gatland

For

Attention to detail during weekly BTN lessons

Eco Schools

Well the weather may have put a dampener (!) on our plans to kick start our vegie patch recently, but it won't deter our Eco Team! Students will be revising their plan to work out the best way to get ready for summer and what we can plant in the coming weeks. Once our plan is revised we will be sharing with the Eco Teams of other schools on 16th November, where we will

$$1 \text{ day per fortnight} = 4 \text{ Weeks} = 1 \text{ year missed}$$

$$1 \text{ day per week} = 8 \text{ Weeks} = 2.5 \text{ years missed}$$

CWA Country of Study—Latvia

Next week the Grattai CWA will be collecting our Latvian projects and judging will commence for their Latvian competition. K-2 children will visit the Grattai CWA ladies for lunch on the 16th November, present their own facts about Latvia and find out the competition winners!

Every Day Matters! Let's do the maths...

Missing a day here or there may not seem like much but absences add up and can impact your child's learning more than you think. When your child misses one day a week over a year, that's 40 days of school, 8 weeks of lessons and 2.5 years over their school life lost.

Key things your child gets from school:

They learn... and strive to achieve success

They make friends... and build a sense of belonging

The build skills through fun... that will serve them through their learning journey and beyond!

Did you know?

Students are expected to have above a 95% school attendance rate, because days missed is years lost. That's why making sure your child comes to school every single day (unless genuinely sick) is so important.

Calendar—Term 4, 2022

Week	Monday	Tuesday	Wednesday	Thursday	Friday
