

Pink Up

# Hargraves Public School

13/10/23

## Pink Up fundraiser

A sea of pink is never a bad thing... especially when cricket is involved. What a wonderful fundraising effort from everyone today. We will be contributing \$172.00 to R-Jay's shave efforts. We are all very proud of the decision R-Jay has made to donate not only funds but his locks to a very worthy cause. We wish R-Jay all the best on Sunday at the Pink Up Cars n Coffee at the Mudgee Railway Station where it is rumoured that he will have a very famous hairdresser helping him lose his locks.

## Bounce Back/PBL

In conjunction with our PBL program we are also revisiting the Bounce Back program. Bounce Back is a positive education curriculum program exploring wellbeing, resilience, and social and emotional learning. The PBL focus for the coming week is Be Respectful—follow adult instructions. This is particularly relevant in the coming week as there will be a few days where casual teachers will be in.

## School Bytes

For families who have already begun accessing the School Bytes platform, we can advise that they have now launched a parent app for Apple and Android devices. Before downloading the app, you will need to have used the parent portal and set up your details. The app is designed to complement the existing parent portal, and make it easier for parents to use School Bytes on their mobile devices. The app can be downloaded on the Apple Store App and Google Play Store.

## Musica Viva

On Friday 27th October, Hargraves will be hosting around 70 students from our small schools network for a Musica Viva performance. Students from Lue, Hill End, Goolma, Glen Alice and Ilford will join us here at Hargraves. The performance will begin around 10:15. The schools will stay for most of the day and we will enjoy the chance to do some music activities, along with some socialising with our small school friends. Our P&C are offering a lunch pack for all students. The packs cost \$7/student. Attached to the newsletter is a lunch order form. If you wish for your child/ren to have a lunch pack, please complete the form, and return it to school by Thursday 19th October, enclosing the money with the order. If you are able to assist with preparing the packs on Friday 27th October, please let us know.

### Kinder 2024

We began our 2024 Kinder transition this week. We currently have four new Kinder students starting next year. We are all very excited to have them with us here at Hargraves.

### Presentation Evening

Save the date—Wednesday 29th November. Start time to be advised. Students will have received scripts for the play they will be doing. Please help them to learn their lines as well as possible.

### Head Lice Alert

Please be vigilant by keeping a close check on your children as the change of season is often a time when we see headlice appear. This is a very common occurrence in schools.

#### Tips for parents in reducing the spread of head lice

***As infestations are particularly common in primary schools, it is best to choose a treatment that can be used over time. There is no single solution to eradication, only persistence.***

***\* regularly check your children's hair***

***\* tie back and braid long hair***

***\* keep a fine tooth head lice comb in the bathroom and encourage all***
