

Mia Principal's Award

# Hargraves Public School

20/10/23

## Bounce Back/PBL

This week's PBL and Bounce Back focus are about building resilience and working through problems. We are encouraging the children to keep trying and become problem solvers understanding that 'mistakes are stepping stones to learning'.

## School Photos

School photos will be taken on Tuesday 24th October. Thank you to those families who have returned the photo envelope. All envelopes need to be returned with students on Tuesday. Photos will be taken during the morning session.

## Musica Viva

Next Friday 27th October, Hargraves will be hosting around 70 students from our small schools network for a Musica Viva performance. Students from Lue, Hill End, Goolma, Glen Alice and Ilford will join us here at Hargraves. The performance will begin around 10:15. The schools will stay for most of the day and we will enjoy the chance to do some music activities, along with some socialising with our small school friends.

If you are able to assist with preparing the lunch packs on Friday 27th October, please let us know.

## Personal Development Sessions

Congratulations to the students who attended the personal development sessions at Ilford on Wednesday. It was great to hear that the students were very mature and sensible in their approach to the sessions. We have been notified that a student from another school who attend the personal development session has since tested positive to COVID. Please monitor for symptoms.

## Grandparents Day

We are looking forward to welcoming our grandparents to school on Monday 30th October. Please find the invitation attached to this newsletter.

## Presentation Evening

Save the date—Wednesday 29th November. Start time to be advised.

## Scripts/Lines

All students have speaking parts in the play we are currently learning for Presentation Night. The play is called "Ali Baba and the Forty Bikes". It is intended to be light entertainment with a few laughs thrown in. To this point, the students have all shown a great deal of interest in the play. Please encourage your children to rehearse their lines each night. If you are able to work with them, that would be a great help. If you have any concerns about the content of the play or about the role your child is playing, please let me know.

**K-3 Science**—students in the K-3 class are investigating the forces of push and pull in their science studies this term. Each student is asked to bring in a favourite toy from home next week. We will investigate the push/pull properties of each toy.

**P&C Meeting this Tuesday at 3:15pm in the Common Room. All welcome.**

## Weekly Awards

Each week a student of the week will be selected. This student will have demonstrated enthusiasm for learning, produced some wonderful work or been kind and thoughtful in some way.

## STUDENT OF THE WEEK

Brayden

## Well Done Awardees

Savannah and David

### Kinder 2024

Our Kinder 2024 transition is well underway. We currently have four new Kinder students starting next year. We are all very excited to have them with us here at Hargraves.

### Head Lice Alert

Please be vigilant by keeping a close check on your children as the change of season is often a time when we see headlice appear. This is a very common occurrence in schools.

Tips for parents in reducing the spread of head lice

As infestations are particularly common in primary schools, it is best to choose a treatment that can be used over time. There is no single solution to eradication, only persistence.

\* regularly check your children's hair

\* tie back and braid long hair

\* keep a fine tooth head lice comb in the bathroom and encourage all
