

Zone Cross Country

# Hargraves Public School

25/5/23

## COVID

Covid continues to be ever present in our world and we have been advised that there are some active cases within the community. Each family will receive RAT Tests with the newsletter. Please monitor for symptoms of Covid and test if you are concerned. Students should not attend school if they are showing any symptoms of Covid. These include fever, cough, sore throat, runny nose, loss of smell/taste, muscle/joint aches etc. Isolation is no longer required for casual contacts. Please let us know if you require further RAT tests.

## Recorder

Our recorder ensemble received some wonderful feedback this week. Mrs Rae told me just how proud she is of the students. They have worked super hard and are playing really well. Listening to them play is fabulous but even better is the pride they feel in what they have achieved in such a short time.

## Zone Cross Country

Well done to Savannah, Beau, Ewan and Ethan who participated in the Zone Cross Country in Rylstone. By all accounts it was a fabulous day and our runners gave their all.

## Bunnings Visit

What a fabulous day students had on Wednesday. We were very fortunate to have a visit from a Bunnings representative. The students worked really well and were highly engaged in the bee house making and worm farm creation. We are also fortunate to have a range of plants to add to the garden.

## Weekly Awards

Each week a student of the week will be selected. This student will have demonstrated enthusiasm for learning, produced some wonderful work or been kind and thoughtful in some way.

## STUDENT OF THE WEEK

Ethan

## Well Done Awardees

Savannah for showing great initiative and Ewan for being a wonderful helper.
