Hargraves Public School

5/4/24

Dental Van Visit The Dental Van visit takes place on Monday and Tuesday 8th and 9th April. During these checkups, the dental team will examine each child's teeth and gums, clean their teeth, and provide any necessary treatment. They will also provide children with tailored dental education and free take-home oral care packages, including toothbrushes, toothpaste, and other oral care essentials. Parents will receive a comprehensive report regarding their child's dental health

PBL Focus: Be Respectful: speak kindly to others.

Honour Our Fallen

Honour Our Fallen excursion will take place on Friday 12th April. Please return permission notes.

Parent Interviews thank you to those families we have already had the chance to catch up with for interviews. We look forward to those still to come. Feedback is always welcome, so if you have any ideas to help make parent interviews more user friendly, we encourage you to share.

ANZAC Day 2024 thank you to everyone who has returned the note indicating attendance at the Hargraves Service. Befitting the occasion, students are asked to be in full school uniform. Students need to meet Mrs Campbell and Beejai at the Rec Ground by 7:45am on Thursday 25th April.

Attendance all NSW DET schools are expected to have plans in place for attendance as an improvement measure. I am very pleased to report that our current attendance rate sits at over 96% of students attending school each day. This is a marked improvement on last year which is fantastic. From time to time it is necessary for students to stay home due to sickness, or other family related events which are known as explained absences and completely justified. Thank you to everyone for your continued support in ensuring students are at school each day.

Communication at the recent P&C Meeting, parent/school communication was discussed. Here at Hargraves, we have several modes of communication available. The school office is manned Wed-Fri and phone calls during those days are guaranteed to be answered. Mon-Tues it may not always be possible for a phone call to be answered, but a message can be left on the answering machine which will be attended to when time permits. The school mobile is also available to all. A response to text messages will be given when time allows. Parents are welcome to text after hours, but please know that does not mean a response will be given immediately. Should you need to discuss any issue, staff will do their very best to do so and are more than willing to make a time for that to happen. Attached to this newsletter is a copy of the School Community Charter which outlines appropriate communication channels and protocols for staff, parents and community members.

Weekly Awards

Each week a student of the week will be selected. This student will have demonstrated enthusiasm for learning, produced some wonderful work or been kind and thoughtful in some way.
