

Life Education 2025

Hargraves Public School

7/3/25

School Vision At Hargraves Public School we strive to prepare all students to become lifelong learners and responsible citizens ready to meet the challenges of the future. In partnership with families and community, our goal is to deliver high quality, differentiated learning experiences that challenge all students to perform at their highest potential and develop the knowledge, critical thinking skills, and resilience necessary to succeed in a technologically advanced world.

PBL Focus: Be Resilient—be a problem solver

Life Ed

Everyone enjoyed another great visit from the Life Ed van and of course Harold the giraffe. Students from the junior class investigated ways in which their body matters and our senior students worked through ways to stay cyber safe. As always the lessons and messages from the Life Ed programs are about ways to stay healthy and safe.

Zig Zag Excursion

A reminder that notes have been sent home regarding our excursion to the Zig Zag Railway. This excursion complements the Transport unit we have undertaken this term. It should be a fabulous day. Non-bus students are asked to be at school by 8:15 on Friday morning as we will be leaving as soon as the first bus arrives. Please ensure students have a jumper for the day.

Friday Lunch

Thanks to Beejai for helping the students in the making of sushi for lunch today. For some students sushi is a favourite and for others, they tried it for the first time today.

NAPLAN

Students in Year 3 and 5 will participate in NAPLAN on Wednesday 12th and Thursday 13th March. Each year there are four assessments, writing, reading, conventions of language and numeracy. More information is provided on the flyer attached to this week's newsletter.

Mudgee Small Schools Young Leaders Excursion

Each year Mudgee Small Schools organise a leadership excursion to Sydney for Young Leaders Day. Students attend the Halogen Young Leaders presentation held at the International Convention Centre, Darling Harbour. The program is designed to inspire and motivate student leaders. In addition to the convention, this year students will visit TruNinja at Penrith, enjoy a Thunder Jetboat ride on Sydney Harbour as well as dining out and an evening of Ten Pin Bowling.

EGGS FOR SALE—\$4/doz

Weekly Awards

Each week a student of the week will be selected. This student will have demonstrated enthusiasm for learning, produced some wonderful work or been kind and thoughtful in some way.
