# Hargraves Public School

9/5/25

**School Vision** At Hargraves Public School we strive to prepare all students to become lifelong learners and responsible citizens ready to meet the challenges of the future. In partnership with families and community, our goal is to deliver high quality, differentiated learning experiences that challenge all students to perform at their highest potential and develop the knowledge, critical thinking skills, and resilience necessary to succeed in a technologically advanced world.

**PBL Focus: Be Resilient—Be a problem solver**

**Mother's Day Breakfast** - thank you to everyone who was able to join us for our Mother's Day breakfast today. We trust you all had an enjoyable time. Thank you to Vanessa and Beejai for assisting the students with the wrapping of gifts from the Mother's Day stall. It was fabulous to see the care that the students gave to firstly choosing the right gift and then personalising the wrapping.

**Cross Country** wishing Savannah, Wyatt, Beau, Ewan and Jack all the very best at Zone Cross Country next Friday. Deb will meet students at the Rylstone Showground. She will have the representative sports shirts and school hats with her. We ask that these are returned to her at the conclusion of the event.

**Swap It** In keeping with the Swap it initiative, the students are regularly discussing what makes good lunchbox food choices. We ask that sugary foods are kept as sometimes food for home, rather than at school food. The Swap It program gives parents and carers a range of alternatives ideas to prepackage treat style food. We trust you are finding the information provided in the emails helpful.

**Gulgong Eisteddfod** Preparations are well underway for our music performances for the Gulgong Eisteddfod. Students will participate in recorder, percussion (djembes) and choir. Attached to the newsletter is the permission note. Travel will be by Terry's bus and there will be a cost of \$10/student for the excursion. Payment can be made via Schoolbytes or as cash. Please return the note by Friday 23rd May.

**P&C Meeting** the next P&C meeting will be held on Tuesday 20th May commencing at 3:15. At this meeting the 2025 office-bearers will be confirmed.

**Tree Trimming** as part of the school maintenance program, we have had arborists on site addressing the safety and integrity of the trees in and around the playground. Prior to the works, detailed inspections and reports were done. Overhanging branches that have been deemed at risk are/have been removed and there are two large trees that will be completely removed. There will be additional work in the coming weeks for some of the trees at the front of the school too.

## Weekly Awards

Each week a student of the week will be selected. This student will have demonstrated enthusiasm for learning, produced some wonderful work or been kind and thoughtful in some way.

## STUDENT OF THE WEEK

Wyatt

## Well Done Awardees

Ewan and Savannah
